Special HCB Axle Extractor for Hiace, Benz, Audi, Porsche, Ford Transit and VW. HCBA1503

This great tool suits many different vehicles including Hiaces, Benz, Audi, Porsche, Ford Transit and VW. With so many of these on the road as trade vehicles and couriers this is a very common repair. This tool allows the repair to be done on car, saving a huge amount of labour time and effort. With the workshop time saved this tool will pay for itself in a very short amount of time after just a couple of repairs. As workshops become busier these advanced tools are the best option for working more efficiently and making better margins. These will be arriving soon via special sea order direct from HCB and will be here in about six weeks so get your order in now.
